

# You Misunderstand Me

## The Buckinghams

When I talk to you about lovin' you  
You don't realize the way I pieced my eyes  
CHORUS:  
You misunderstand me, baby  
When I talk of lovin' you  
If you wanna land me, baby  
Then you'd better think about it too  
I'll do anything for you, dear  
Please try & think about holding me near to you  
Holding me near to you  
You don't feel the pain from this constant strain  
& I can't find no way for you to see what I'm sayin'  
You misunderstand me, baby  
When I talk of lovin' you  
If you wanna land me, baby  
Then you'd better think about it too  
I'll do anything for you, dear  
Please try & think about holding me near to you  
Holding me near to you  
You're my baby, & I'll never let you go  
My baby, & I'll always love you so  
My baby, & I'll never let you go  
My baby, & I'll always love you so  
...& fade
