

Coz I Luv You

The Wonder Stuff

I won't laugh at you
when you boo
hoo
hoo
coz I luv you.
I can turn my back
on the things you lack
coz I luv you.I just like the things you do
Mm
don't you change the things you do
mm
you get me when you only time can tell
if we get on well
coz I luv you
all that's passed us by
we can only sigh hi
hi
coz I luv you.I won't in a spot
and smile the smile you got
and I luv you.
You make me out a clown
then you put me down
I still luv you.I just like the things...When you bite your lip
you're gonna flip your flip
but I luv you.
When we're miles apart
you still reach my heart
how I luv you.
