

# Superstar (Interlude)

Usher

This goes out to you  
You, my number one I won't stop until I see you, sugar  
You know who you are  
This is for my number one, number one So many shows, swear wherever I go  
I'm gonna keep on lookin', yeah This goes out to you, baby  
Wherever you are  
Just know that you're mine Are you there?  
I can't hear you  
On the road doin' shows  
Girl, I can't get you off my mind All around the world  
So many faces  
All these places  
Girl, I just need one  
My number one This is for you  
You, my number one Usher!  
Usher!  
Usher!  
Usher!  
Usher!
