Superstar (Interlude)

Usher

This goes out to you
You, my number oneI won't stop until I see you, sugar
You know who you are
This is for my number one, number oneSo many shows, swear wherever I go
I'm gonna keep on lookin', yeahThis goes out to you, baby

Wherever you are

Just know that you're mineAre you there?

I can't hear you

On the road doin' shows

Girl, I can't get you off my mindAll around the world

So many faces

All these places

Girl, I just need one

My number one This is for you

You, my number oneUsher!
