

# Ghost Town

## Bo Bruce

Well, the streets are all crowded  
Lots of people around  
And there's music playing  
But I can't hear a sound  
Just the sound of the rain  
Falling silently down  
Livin' ain't been livin'  
Since you put me down  
Yeah, life goes on around me every day  
But it might as well be  
Half a million miles away  
It's like a ghost town without your love  
Like a ghost town without your love  
Like a ghost town, baby, can't you see?  
It's a ghost town, until you come back to me  
Oo, oo, till you come back to me  
Well, I wish I still had you  
Had you here next to me  
Baby, where did you go?  
Baby, why did you leave?  
Oh, the world, it keeps turnin'  
But it don't turn for me  
Without you in my life  
My life ain't no place to be  
There's only lonely days and empty nights  
Ain't the same without you, baby  
Nothing's feelin' right  
Nothing's feelin' right  
It's like a ghost town without your love  
Like a ghost town without your love  
Like a ghost town, baby, can't you see?  
It's a ghost town, until you come back to me  
Oo oo, till you come back to me  
Darlin', I wanna leave this town  
Don't wanna be around  
I'm gonna leave this town  
It's like a ghost town  
It's like a ghost town without your love  
Like a ghost town without your love

Like a ghost town, baby, can't you see?  
A ghost town, until you come back to me  
Oo oo, till you come back to me  
It's like a ghost town  
It's a ghost town  
Hey hey, it's like a ghost town, can't you see?  
It's like a ghost town  
'Til you come, till you come back to me  
Oo oo oo, 'til you come, till you come back to me
