

# I Am a King

## Bo Napoleon

I am a king for always, we are the kings for all days  
For the King of all kingdoms come â€ King of all kingdoms â€  
Come

### Verse 1:

All I am and all that Iâ€™ve become, oh oh yeah  
Better man, come into my own  
My beautiful queen, there for when I suffered, yeah  
As long as I live, give you all the light touches  
Here I come for what I own  
Gonna overtake the throne, whoa na na na na na

### Pre-Chorus:

Step on the scene, son of a king  
This is my dream, my legacy  
Step on the scene, son of a king  
This is my destiny

### Chorus:

I am a king â€ this is my kingdom  
Follow me, say follow me  
Follow me, say follow me now

Follow me, say follow me  
Follow me, say follow me

### Verse 2:

All I am and all that Iâ€™ve become, oh oh yeah  
Better man, â€™cause I gave her all my love  
My beautiful queen, there for when I suffered, yes  
As long as I live, give you all the light touches  
Here I come for what I own  
Gonna overtake the throne, whoa na na na na na

### Pre-Chorus:

Step on the scene, son of a king  
This is my dream, my legacy  
Step on the scene, son of a king  
This is my destiny

I am a king â€” this is my kingdom  
Follow me, say follow me  
Follow me, say follow me now

Here I come for what I own  
Gonna overtake the throne, whoa na na na na na

Pre-Chorus:

Step on the scene, son of a king  
This is my dream, my legacy  
Step on the scene, son of a king  
This is my destiny

Chorus:

I am a king â€” this is my kingdom  
Follow me, say follow me  
Follow me, say follow me now

Pre-Chorus:

Step on the scene, son of a king  
This is my dream, my legacy  
Step on the scene, son of a king  
This is my destiny

Chorus:

I am a king â€” this is my kingdom  
Follow me, say follow me  
Follow me, say follow me now

Follow me, say follow me â€” whoa  
Follow me, say follow me â€” whoa now
