

# Where Do Broken Hearts Go

Erik Santos

I know it's been some time  
But there's something on my mind  
You see, I haven't been the same  
Since that cold November day  
We said we needed space  
But all we found was an empty place  
And the only things I learned  
Is that I need you desperately  
So here I am  
And can you please tell me, oh Where do broken hearts go  
Can they find their way home  
Back to the open arms  
Of a love that's waiting there  
And if somebody loves you  
Won't they always love you  
I look in your eyes  
And I know that you still care, for me I've been around enough to know  
That dreams don't turn to gold  
And that there is no easy way  
No you just can't run away  
And what we have is so much more  
Than we ever had before  
And no matter how I try  
You're always on my mind So here I am  
And can you please tell me, oh Where do broken hearts go  
Can they find their way home  
Back to the open arms  
Of a love that's waiting there  
And if somebody loves you  
Won't they always love you  
I look in your eyes  
And I know that you still care for me And now that I am here with you  
I'll never let you go  
I look into your eyes  
And now I know, now I know  
Where do broken hearts go  
Can they find their way home  
Back to the open arms  
Of a love that's waiting there

And if somebody loves you  
Won't they always love you

I look in your eyes

And I know that you still care

Where do broken hearts go

Can they find their way home

Back to the open arms

Of a love that's waiting there

And if somebody loves you

Won't they always love you

I look in your eyes

And I know that you still care for me, for me

You still care for me
