Behind the Tear

Sonny James

Behind the tear there's a hurt
Behind the hurt a broken heart
Behind that broken heart
There lies a broken dreamBehind the dream there's a fool
Behind the fool a wasted love
You broke my heart
And I'm the fool behind the tearLook here on my cheek there's a teardrop
Oh, not much bigger than a grain of sand
Don't turn your head so close
Behind the teardropYou'll see the hurt
You left inside a lonely man
