

Shameless

Veera

with my conscience broken I'm
sleeping cold this night
your eyes are ever haunting my mind
I never thought the shame could be so bad
I can't believe i lost all I had

and the shame is, the shame is tasteless
and the world is, the world is faceless

and the shame is, the shame is tasteless
and the world is, the world is faceless

and the shame

when I try to forget
all the things she said
it's eating me away
the shame I face today

forget, forget the every thing
you've got, you've got the best of me
my time, my time is wasted
the shame, the shame belated

I've seen, I've seen the better days
I hope, hope that it's just a face
left her knee deep and drowning
left her screaming and shouting

and the shame is, the shame is tasteless
and the world is, the world is faceless

and the shame is, the shame is tasteless
and the world is, the world is faceless

when I try to forget
(when I try to forget)
all the things she said
(all the things she said)
it's eating me away

(it's eating me away)
the shame I face today
(the shame I face today)
