

Patience

gun's n roses

One, two, one, two, three, four
Shed a tear because I'm missing you
I'm still alright to smile
Girl, I think about you every day now
Was a time when I wasn't sure
But you set my mind at easy
There is no doubt you're in my heart now
Said, woman, take it slow
And it'll work itself out fine
All we need is just a little patience
Said, sugar, make it slow
And we'll come together fine
All we need is just a little patience
Patience I sit here on the stairs
Cause I'd rather be alone
If I can't have you right now I'll wait, dear
Sometimes I get so tense
But I can't speed up the time
But you know, love, there's one more thing to consider
Said, woman, take it slow
And things will be just fine
You and I'll just use a little patience
Said, sugar, take the time
'Cause the lights are shining bright
You and I've got what it takes to make it
We won't fake it
Oh, I'll never break it
Cause I can't take it
Little patience, mhh yeah
Need a little patience, mhh yeah
Just a little patience, mhh yeah
Some more patience
I've been walking the streets at night (yeah)
Just trying to get it right (Need some patience)
It's hard to see with so many around (yeah)
You know, I don't like being stuck in the crowd (Could use some patience)
And the streets don't change but,
baby, the names (yeah)
I ain't got time for the game (Gotta have some patience)
'Cause I need you, yeah (yeah)
Yeah, but I need you (All it takes is patience, yeah)
Oh, I need you (Just a little patience)
Oh, I need you (Is all you need)
Oh, this time
