Situation

Joy Enriquez

She don't know about, what you
You've been doing with me, oh yeah
I feel bad about it
What would you do if you were in my shoes, baby, babyI should've known right from the start
When you said she was just a friend
I should have ended it but instead
I just pretended not to know
That you're running back and forth
In and out of my life
But still I just can't seem to let go, oh no no no noI know it's wrong
But I will never wanna let him go
Inside I'll know
That he's got another girl at home
I can't help but think what if it was me
Shouldn't have fell in love with someone
Who put me in this situation, noYou say you love me
But then you turn around and hurt me, baby why? Oh why ?
I can't handle it, so baby, things are gonna change
I'm gonna take my love awayIt's getting harder not to think of her
At home alone at night
I can't believe that I'm a part of this
I should've never started it
Knowing you've been back and forth
In and out of my life
But I can't get you outta my mind, noI know it's wrong
But I will never wanna let him go
Inside I'll know
That he's got another girl at home
I can't help but think what if it was me
Shouldn't have fell in love with someone
Who put me in this situation, noIn a situation, no, you'll never know
How much it hurts me to let you go
It's time to move on
And change right from wrong
It's finally over
And I promise you, I promise you
I won't be coming back no moreI know it's wrong
But I will never wanna let him go
Inside I'll know

That he's got another girl at home
I can't help but think what if it was me
Shouldn't have fell in love with someone
Who put me in this situation, noI know it's wrong
But I will never wanna let him go
Inside I'll know
That he's got another girl at home
I can't help but think what if it was me
Shouldn't have fell in love with someone
Who put me in this situation, noI know it's wrong
But I will never wanna let him go
Inside I'll know
That he's got another girl at home
I can't help but think what if it was me
Shouldn't have fell in love with someone
Who put me in this situation, noI know it, I know it, I know
I can't help but think
Shouldn't have fell in love with someone
Who put me in this situation, no
