

# Lookin For Ya

## Mindless Behavior

[Hook:]And we ain't gotta rush alright  
Baby we can chill and snuggle up  
And girl you lookin' good alright  
I put that on everything  
Baby you're the one

And whether it's Christian Louboutin (I)  
Red bottoms or some sneakers  
It don't matter girl you're doin' your thing  
More beautiful than the Mona Lisa

All the girls wanna be ya  
I think you are the one for me  
Cause I'm lookin for you girl

Lookin' for ya  
Lookin' for ya  
Lookin' for ya

Ooh baby I'm lookin for you girl
