

# Beat and the Pulse (Still Going Remix)

[Austra](#)

Hundred angles lost  
Fleeing from the beat and the pulse  
Laughing like a fool  
Playing for the heart and the soul  
And the soul Capture something red  
Paste it to the edge of your bed  
Someone will be there  
Someone who will know what it says  
What it says Feel it break  
Feel it break  
Nothing's a mistake, or you  
Feel it break Elevate your fingers  
Motion makes it hard to write  
Still, words are abrasive  
Yours are making me feel right?  
Feel right
