

# It's All Over Now

**Bobby Womack & Bill Withers**

We should have but we didn't  
We would of if we could  
But it just didn't happen  
And you never understood  
Can't blame a man for tryin'  
Tryin' to make it last  
Now you stand here cryin'  
Over memories of the past  
I'm not looking to hurt you  
So I'll just say good-bye  
It's all over now  
Well sometimes it happens  
Turns out that way  
To many miles between us

With nothing left to say  
Oh I'll never get over  
This look in your eyes  
Doing all our best to figure out  
That it's too late now baby  
'Cause it's all over now  
This broken heart of mine is no surprise  
And isn't that what life is all about  
Doing all our best to figure out  
But it's too late now baby  
'Cause it's all over now  
Too late to turn back baby
