

Keep Your Monster On A Leash

Tower of Power

(Say people!)Some people let their monster do the talkin' all night long

Some people drink and drink 'til they pass out

Some people don't know what I'm talkin' aboutIt's very easy

His own to each:Chorus:

You've got to keep your monster on a leash

You've got to keep your monster on a leash(Yes you do)Some people paint their bodies black and blue

Let their monster get creative, yes they do

(Ha, ha!)

Some people like to spike their oily hair

Some people like to lose; they just don't care

Hear what I'm saying?

Just listen to the words I preach:Chorus:

You've got to keep your monster on a leash

(Yeah, yeah)

(Ha!)

You've got to keep your monster on a leash(Listen!)Bridge:

If you borrow

From tomorrow,

Your future will be grim

If you really love yor monster

You don't wanna have to do him in,Chorus:

Just keep your monster on a leash

Keep your monster on a leash

Some people almost die to go get live

Let their monster take control and take a dive

Some people spend their paychecks to get well

Some people cant relate, but what the hellIt's very simple

Stand up on your own two feetChorus:

You've got to keep your monster on a leash

You've got to keep your monster on a leash(Yeah, yeah)Bridge:

If you borrow

From tomorrow,

There's trouble on the way

So you better leash your monster,

or there's gonna be hell to pay,Chorus:

Just keep your monster on a leash

Keep your monster on a leash

(Haunt!)

Keep your monster on a leash

(Hit me!)
(Uh!)
(Hey!)Take 'em on a walk,
Some who might(ha!)
On a leash
Oh, yeah!
Your monster on a leash (ha)Oh, get a grip on your godzilla
Go ahead, go ahead and hold hands with rodans
On a leash
Keep your monster on a leash
