Given

Kindling

Trust all the things I tell you are true
Dress up in your best so I can be proud of you
And never believe I won't turn on you
And never believe I do this for youYou're leading me on again
And I find it yeah I like it
And I'm reeling in awe for sure
Now I know it was given to me
Given to meHow I wish I could be rid of this ennui
Make you regret and make you afraid of me
And never believe I do this for me
And never believe I'll do this gentlyYou're leading me on again
And I find it yeah I like it
And I'm reeling in awe for sure
Now I know it was given to me
Given to me, given to meCan't believe in broken promises
And render conscious all of me
I'll tell you it's all for you
Then deny itYou're leading me on again
And I find it yeah I like it
And I'm reeling in awe for sure
Now I know it was given to me
Given to me, given to meIt's all for me
