

# To You I Belong

## B-witched

Rain fell down, you were there  
I cried for you when I hurt my hand  
Storm a rushing and wind was howling  
I called for you, you were there Whenever dark turns to night  
And all the dreams sing their song  
In the daylight forever  
To you I belong Beside the sea where the waves broke  
I drew a heart for you in the sand  
In fields where streams turn to rivers  
I ran to you, you were there Whenever dark turns to night  
And all the dreams sing their song  
In the daylight forever  
To you I belong I ran to you, you were there Whenever the dark turns to night  
And all the dreams sing their song  
In the daylight forever  
To you I belong  
To you I belong  
To you I belong
