

Don't Be Scared (feat. Rick Ross)

Trey Songz

Don't you be scared (Boss)
Don't you be scared
Don't you be, don't you be
Don't you be scared Body's like she jumped up off the page
Eye candy of the year
Plus she got a beautiful face
Let's go somewhere and disappear
Said she like to smoke, (uh huh) I do too
Said she like to drink, (uh huh) I do too
So what you think, have a long conversation
What's on your mind, tell me what you been thinking I'ma keep it real a lot of women in my phone
But I'ma be for real you're the only one I want
I ain't telling lies, like I'm tryin' to settle down
You probably heard I get around [Chorus]
Don't you be scared,
Girl don't you be scared of a nigga
No matter what they say about a nigga
Don't you be scared, no matter what your home girl opinion
You grown make your own damn decisions
Girl don't you be, don't you be
Don't you be, don't you be
Girl don't you be, don't you be
Don't you be, don't you be
Don't you be scared
Girl don't you be scared of a nigga
No matter what they say about a nigga
Don't be scared I ain't gonna bite ya,
Unless it's something that you like girl you know that
Don't be scared,
I just wanna get a little time
I ain't talking 'bout no watch
Can't call you no dime
'Cause I know you can't be bought
I know you know you fine
I know you sick and tired
Of all these niggas lying
Talking about what they got I keep it real a lot of women in my phone
But I'ma be for real you're the only one I want
I ain't telling lies like I'm tryin' to settle down

You probably heard I get around[Chorus]Presidential suites, and these foul blows
Live it up and live doing what you do
Hating on a nigga each and every moves
Detectives on my trail but don't have a clue
All I want is bad bitches Mercedes Benz and millions
That's on the average
I'm ballin' with my lil homies we smoking lavish
Versace shirts I remember we didn't have this
How I look now all gold spinners, nigga denims forty fours
Stacking money taller than my nigga Shawty Lo
I'm dropping classics people nothing short of going gold
Don't be scared of me baby 'cause all I do is ball[Chorus]No matter what they say about a nigga
Don't be scared
