

Solar

Blaudzun

One more round
Make it to and fro
Down the echo chamber to and fro
It hurts too much to stay
But I won't let go
It hurts too much to stay
But I won't let go
One more round
Who's the first to throw
Standing in line for the wrecking ball
It hurts too much too stay
But I won't let go
It hurts too much too stay
But I won't let go
Solar radiation
No beams without clouds
Man your battle station
With me or without
One more round
Make it to and fro
Down the echo chamber to and fro
It hurts too much to stay
But I won't let go
