

# Conflict

## Malevolent Creation

Darkening the senses  
Hate pounding on  
All emotions conquered  
No heart to be found Nerves fill with fire  
Open eyes dialate  
Burning deep inside  
Weakened bodies fulminate The forward march  
Is crushing life  
Firepower  
Lights up the night Rip through the flesh  
Searing within  
Militant trek  
Death only wins Enemies must die  
The only law  
To push the line  
This is the law To take life  
To crush life  
To rule life
