Too Soon To Tell

Johnny Ray Allen

So now there's somebody new
These dreams I've been dreaming have all fallen through
You say I'll be fine, it only takes time
Someday that may be trueBut it's too soon to tell
Why it's too soon to say
Maybe someday I'll be able to wish you well
But right now it's just too soon to tellIt's all for the best, so you say
You never intended to hurt me this way
You want to hear, I won't drown in my tears
Well, baby the best that I can sayIs it's too soon to tell
Why it's too soon to say
Maybe someday I'll be able to wish you well
But right now it's just too soon to tellWell right now it's just too soon to tell
Ooh, too soon to tell
