

# BUM BUM (feat. God)

## Die Antwoord

[Intro]

Love me Ninja

Love me everywhere[Chorus]

Even in my bum, even even in my bum

Even in my bum, even even in my bum

Even in my bum, even even in my bum

Even in my bum, even even in my bum[Post-Chorus: Ninja]

Mi vida es una locura

(Tu pene es hermoso)

Conosco las mujeres mas hermosas

(Cojeme Ninja)

Las mujeres mas hermosas del mundo

(Rompeme)

Ellas estan super locas

(Cojeme como un perro)[Verse 1: Ninja]

I like it when you're face down, ass up

Love it when you spread your ass like, the fuck?

Like it when you sing, (Ninja kiss my ass)

I love rockin' your ass like a ninja mask

I like it when you come visit me (hola!)

I like it when you drop to your knees

I like it when I slap you in the face with my dick

Flip you 'round, then we fuck to the beat

I like it when you say, (Fuck me anywhere)

Anywhere? (Anywhere, Ninja, I don't really care)[Chorus]

Even in my bum, even even in my bum

Even in my bum, even even in my bum

Even in my bum, even even in my bum

Even in my bum, even even in my bum[Post-Chorus: Ninja]

Mi vida es una locura

(Tu pene es hermoso)

Conosco las mujeres mas hermosas

(Cojeme Ninja)

Las mujeres mas hermosas del mundo

(Rompeme)

Ellas estan super locas

(Cojeme como un perro)[Verse 2: Ninja]

I like it when you wake me up with you

Bougie little Gucci coochie stuck to my face

Like a little alien face hugger, get it funky  
I like it when you say, (Ninja, fuck me)  
I like it that your mind is a mystery  
I like it when we fuck and you just leave  
Without saying goodbye or trying to kiss me  
I like it when you tell me that you miss me (extra~±o)  
I like it when we dance in the club  
I like it that you don't give a fuck  
Yeah you're dancing with the devil  
And you got your panties to one side  
Fuckin' you on the dance floor  
Back at the crib, I like it when we're fuckin'  
And you take it out your pussy and say  
(Put it in my bum again)  
After it she likes it when I snuggle like a teddy bear  
Bed wet, legs spread, big mess everywhere[Chorus]  
Even in my bum, even even in my bum  
Even in my bum, even even in my bum  
Even in my bum, even even in my bum  
Even in my bum, even even in my bum[Post-Chorus: Ninja]  
Mi vida es una locura  
(Tu pene es hermoso)  
Conosco las mujeres mas hermosas  
(Cojeme Ninja)  
Las mujeres mas hermosas del mundo  
(Rompeme)  
Ellas estan super locas  
(Cojeme como un perro)[Chorus]  
Even in my bum, even even in my bum  
Even in my bum, even even in my bum  
Even in my bum, even even in my bum  
Even in my bum, even even in my bum  
Even in my bum, even even in my bum  
Even in my bum, even even in my bum  
Even in my bum, even even in my bum  
Even in my bum, even even in my bum
