

I Wonder Why

Showaddywaddy

now why I love you like I do. Know why I do. Don't know why I love you, Don't know why I care, I just want your love to share. I wonder why I love you like I do, Is it because I think you love me to, I wonder why I love you like I do, Like I do. I told my friends that we would never part, They often said that you would break my heart, I wonder why they think that we will part, We will part. When your with me I'm sure your always true, When I'm away I wonder what you do, I wonder why, I'm sure your always true, Always true. I wonder why I love you like I do, Is it because I think you love me too, I wonder why I love you like I do, Like I do. Know why I love you like I do.
