

So Fine (TC Remix)

Sean Paul

Girl gu-gu girl
I'll be your sunshine
You can be mine
You'll be my wind chime
I got the rhyme
We'll have a good time
Make up your mind
Roll with me girl, you're so fine
Girl, just let me be there for you any time, you're so fine
For you I'd tie the longest line, you're so fine
My girl bruk out in whine
Mash up me brain, you a mash up man mind
Real bad man a dey dash way dem nine
I'll be your sunshine my
Girl, just let me be there for you any time, you're so fine
For you I'd tie the longest line, you're so fine
My girl bruk out in whine
Mash up me brain, you a mash up man mind
Real bad man a dey dash way dem nine
I'll be your sunshine
This time, my girl if you jus call me
Anytime my love like start get corny
We keep it steam up a stormy
Me and you team up and build an army
Cah me love all di shape a ya body
And me kno seh you waan come party
If ya kno seh a you a me target
Girl I'll be that doggy doggy
Sexy chick that a my periquisite
Hot girls gottas be my darlin'
Get with it, my beat you fi set wit it
All girls gotta heed my callin'
From Kingston up to New Orleans
New jersey rite back to spalding
You fi know this boy ain't stallin'
We puttin' all in
Girl, just let me be there for you any time, you're so fine
For you I'd tie the longest line, you're so fine
My girl bruk out in whine
Mash up me brain, you a mash up man mind
Real bad man a dey dash way dem nine
I'll be your sunshine my

Girl, just let me be there for you any time, you're so fine

For you I'd tie the longest line, you're so fine

My girl bruk out in whine

Mash up me brain, you a mash up man mind

Real bad man a dey dash way dem nine

I'll be your sunshine Listen my voices and my vocal

Lack off ya phone, tell ya man don't call

I'm gonna give you this love total

Medical and it's antidotal, oh yeah!

Cah we a di top pro gal

International or local

Ya man don't got it like me not at all

Cah ya man don't firm ya man don't tall

I'm a bruk out di diamon n' di opal

I'm a try love but now di love stall

Look like I'm don't have no hope at all

I'm nah come good with di approach at all

Hang him up like picture inna photo hall

Every man gwan buy new protocol

S.P. a di man you if call

I won't fall Girl, just let me be there for you any time, you're so fine

For you I'd tie the longest line, you're so fine

My girl bruk out in whine

Mash up me brain, you a mash up man mind

Real bad man a dey dash way dem nine

I'll be your sunshine my

Girl, just let me be there for you any time, you're so fine

For you I'd tie the longest line, you're so fine

My girl bruk out in whine

Mash up me brain, you a mash up man mind

Real bad man a dey dash way dem nine

I'll be your sunshine I'll be your sunshine

You can be mine

You'll be my wind chime

I got the rhyme

We'll have a good time

Make up your mind

Roll with me girl, you're so fine Girl, just let me be there for you any time, you're so fine

For you I'd tie the longest line, you're so fine

My girl bruk out in whine

Mash up me brain, you a mash up man mind

Real bad man a dey dash way dem nine

I'll be your sunshine my

Girl, just let me be there for you any time, you're so fine

For you I'd tie the longest line, you're so fine

My girl bruk out in whine
Mash up me brain, you a mash up man mind
Real bad man a dey dash way dem nine
I'll be your sunshine
