

# Arab Money

## Busta Rhymes (feat. Ron Browz)

Ron Browz! Yes!

I'm way back in the most amazing way  
Well lemme introduce you to the new talk

Let's get straight to it, c'mon!

La ilaha illa Allah, ha la ili, hay yo

Hili b'Allah, hey, hili bay yo

We getting Arab money

We getting Arab money

Hala sheiki, ha lini falla

Mili ha lan shi inni mala

We getting Arab money

We getting Arab money

Now there ain't no way that you can kill a beast dead

I got Middle East women and Middle East bread

I got oil well money, in the desert playing golf

Go chase short stack sheiki with a Louis scarf

Chest cold diamonds make a nigga wanna cough

In Dubai 20 million on a villa loft

And then I step up in the club then these other niggas mad as shit

The way I make the people wanna sing the hook in Arabic

La ilaha illa Allah, ha la ili, hay yo

Hili b'Allah, hey, hili bay yo

We getting Arab money

We getting Arab money

Hala sheiki, ha lini falla

Mili ha lan shi inni mala

We getting Arab money

We getting Arab money

Seven star hotels, Maybach, movies

Sick, big ass, knock-kneed, camel toe, Gucci

Pretty women walk around while security on camel-back

Club on fire now, niggas don't know how to act

Sitting in casinos while I'm gambling with Arafat

Money long, watch me purchase pieces of the Almanac

Y'all already know I got the streets bust

While I make ya bow down and make salaah like a Muslim

La ilaha illa Allah, ha la ili, hay yo

Hili b'Allah, hey, hili bay yo

We getting Arab money

We getting Arab money  
Hala sheiki, ha lini falla  
Mili ha lan shi inni mala  
We getting Arab money  
We getting Arab money  
See now I take trips to Baghdad, dummy wow  
Use a stack of chips to count Arab money now  
I don't need to get fresh, about to grow a beard dude  
So much cake even the money look weird too  
Domestic bread and a broad  
I'm tryna eat like Prince Al-Waleed bin Talal Al-Saud  
Who might respect the value of my worth  
In Maui, Malaysia, Iran and Iraq, Saudi Arabia!  
La ilaha illa Allah, ha la ili, hay yo  
Hili b'Allah, hey, hili bay yo  
We getting Arab money  
We getting Arab money  
Hala sheiki, ha lini falla  
Mili ha lan shi inni mala  
We getting Arab money  
We getting Arab money
