The Undesirables

Lawrence Arabia

I'll let you go out
You can look after yourself

Just leave the undesirables alone
Leave the undesirables alone
Just leave the undesirables alone
Leave the undesirables alone

I'll let you go out
You can look after yourself

Just leave the undesirables alone
Leave the undesirables alone
Just leave the undesirables alone
Leave the undesirables alone
Just leave the undesirables alone
Leave the undesirables alone
Just leave the undesirables alone
