

Incredible (feat. Kirk Franklin)

Anthony Evans

Like a sweet summer day
You take away all my trouble
And like a soft pouring rain
You wash away all my pain
Every time I think of you and what you do
It makes me happy
A joy I can't explain every time
I call your name[Chorus]
Jesus your love's incredible
And it's oh so marvelous
Jesus your love's incredible
And it's gloriousAnd it's marvelous
Jesus your grace is wonderful
You've been so good to us
Jesus you're love's incredible, marvelous, glorious
Like a little baby boy
That's full of joy, I can feel you
Breaking away my chains and healing all my pain
From yesterdayAnd when we both knew I was wrong
Lord it wasn't long before you held me
Wiped the shame from my face
And gave me grace, so I can say[Chorus]And it's marvelous
Jesus your grace is wonderful
You've been so good to us
Jesus you're love's incredible, marvelous, glorious
[Chorus]And it's marvelous
Jesus your grace is wonderful
You've been so good to us
Jesus you're love's incredible, marvelous, glorious
And when my work is done
Lord, You're the one that I long for
Like a bride on her wedding day
Lord today I say, "I do" And yes my days they won't always be bright
But that's alright 'cause now I see you
There's purpose even in my pain in my pain
And if you love him can you help me say[Chorus]And it's marvelous
Jesus your grace is wonderful
You've been so good to us
Jesus you're love's incredible, marvelous, glorious
[Chorus]And it's marvelous
Jesus your grace is wonderful
You've been so good to us
Jesus you're love's incredible, marvelous, glorious
