

Minor Earth Major Sky (live)

[a-ha](#)

I can't see me in this empty place
Just another lonely face
I can't see me here in outer space
It's so hard to leave a trace And I try and I try and I try
But it never comes out right
Yes I try and I try and I try
But I never get it right It's a
Minor Earth major sky I can't see me in this lonely town
Not a friendly face around
Can you hear me when I speak out loud
Hear my voice above the crowd And I try and I try and I try
But it never comes out right
Yes I try and I try and I try
But I never get it right It's a
Minor Earth major sky But I try and I try and I try
But it never comes out right
Yes I try and I try and I try
But I never get it right It's a
Minor Earth major sky
