In Stone

BASECAMP

No changing course
And no control
This was set in motion by the unknown
The unseen hand
The door that waited
As the daylight faded
OutI was tied to your feet
Stuck to your words

Beyond the shadow of a shadow of a doubt

Once the sun came outIt was cast in iron, carved in stone

It was cast in iron, carved in stone

It was cast in iron, carved in stone

It was bound to happen all along

Cast in iron, carved in stone

No changing course

And no control

This was set in motion by the unknown

The unseen hand

The door that waited

As the daylight faded

OutI was tied to your feet

Stuck to your words

Beyond the shadow of a shadow of a doubt Once the sun came outIt was cast in iron, carved in stone

It was cast in iron, carved in stone

It was cast in iron, carved in stone

It was bound to happen all along

Cast in iron, carved in stone

It was east in non, carved in stone

It was cast in iron, carved in stone

It was cast in iron, carved in stone

It was cast in iron, carved in stone

It was cast in iron, carved in stone Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
