

# Mondo Cane

## Rusty Eye

Raised in Fear  
We shed not tearsâ€¦

Mondo Cane, give me all you can  
Inhumane rabid hungry monster man

Senseless mating animal rules  
Consumed by hatred, branding of fools  
Carnage, slaughter, greediness  
Our primitive others resemble our truth

Raised in Fear  
We shed not tearsâ€¦

Mondo Cane, give me all you can  
Inhumane rabid hungry monster man

Ruthless faking, our vision is obtuse  
Intoxicated, evenly abused  
Torture, famine, bloodiness  
Ravaging jungle, there is no escape
