Uh oh, OK I got these girls quite hype, only thing on right now, like a night light,
While my brother Wayne rockin' out like a white stripe, I'm a kill the game,
I'm the young money white night (white night) Yeah
Plus I'm looking for the right type cautious of a flood so I always lay the right pipe
West put me on the mart, keep life light plus I go hard for the women that I might wife
I put the ring on her index finger so if you wanna keep your girl please don't bring her
I bet that I'm the type of guy that she got a thing for,
You would block me but this ain't jinga
Yeah, and she someone I would work with,
That's what I could tell from what she's showing on the surface.
I ain't saying that I'm requesting anyone
That's perfect but I just need a woman that'll make it all worth it

[Chorus: x2]

Knock, knock , knock, knock, knock,
Knock, knock , knock, knock, knock,
This that knock, knock , knock, knock, knock
This that knock, knock , knock, knock, knock

I'm the one, one, one, one, one, one,
