Victim

WIN WIN

Hocus pocus
Time is now then did you notice?
you've got your problems goverment
be carful lot of punishment
they try to tell me to my faces
But they aint getting aint no rasist
so i stay fly high no complaning
im gving life talkng 'bout at all
can somebody tel me how did i become a victim of society?
all my life ive try not to come a(certain)victim of society
can somebody tell me how did i become a victim of society?
all my life ive try not to come a victim of society
hocus pocus
