

# Victim

WIN WIN

Hocus pocus  
Time is now then did you notice?  
you've got your problems government  
be careful lot of punishment  
they try to tell me to my faces  
But they aint getting aint no racist  
so i stay fly high no complaining  
im giving life talking 'bout at all  
can somebody tell me how did i become a victim of society?  
all my life ive try not to come a(certain)victim of society  
can somebody tell me how did i become a victim of society?  
all my life ive try not to come a victim of society  
hocus pocus
