

Meiple (Feat. Jay-Z)

Robin Thicke

Meiple
I know you wanna
I know you wanna
I know you wanna
WeeMeiple,
I like to play cheek to cheek,
Two kids in the sandbox babe,
You remind me of St. Tropez,
Sandy beaches and yachts yeah and champagne,
Tuxedos and Jet Ski's babe,
I lay you down at the Georges cinq babe,
And baby when we dream, when we dream,
When we dream, we be dreaming in French babeMeiple,
I'm a treat ya like a lady
You will be my pretty baby,
We can spend all my money baby,
Cheek to cheek girl, meiple
I'm a treat ya like a lady
You will be my pretty baby,
We can spend all my money babyI know you wanna, uh huh
I know you wanna, uh huh
I know you wanna, uh huh
Hold up,No Habla Ingle,
Cause me I play,
St Tropez down in ,
Yacht docked not far away,
Black Brigitte Bardot Beyonce,
Avantgarde, lanvin socks
Call me Picasso, I'm art on yachts,
Pardon me, oui, in Paris,
Champagne spilling out of my oui oui (wee wee),
Pardon my French, the je ne sais quoi got me on cloud 9,
We finna take off, Paris was a tease now we in the Maldives,
Sipping Blanco smoking on tea leaves,
Isn't this great, strawberry Crepes,
Down in Capri in the Grotto we play,
Up next Sardinia, me and little Tina,
Turn up, tell me have you seen us,
EnoughMeiple,

I'm a treat ya like a lady
You will be my pretty baby,
We can spend all my money baby,
Cheek to cheek girl, meiple
I'm a treat ya like a lady
You will be my pretty baby,
We can spend all my money baby I know you wanna,
I know you wanna,
I know you wanna,
WeeMe I play, I take you to the lead brasserie,
We take a show at the crazy horse,
Then got nothing on you
Because like the Eiffel Tower
You can take me to the highest babe,
Like a lady, I take you shopping at Chanel babe,
Afternoon tea for two at the Ritz babe,
My lady don't lift things, open doors, stand alone,
Not when she with me babe Meiple,
I'm a treat ya like a lady
You will be my pretty baby,
We can spend all my money baby,
Cheek to cheek girl, meiple
I'm a treat ya like a lady
You will be my pretty baby,
We can spend all my money baby I know you wanna
You remind me of Monaco babe,
Mt Blanc princess Grace babe
Racking chips in Monte Carlo babe,
Be my million dollar baby,
By the end of the trip you be a Billion dollar lady,
Wrap you up babe, in a cote azure rose babe,
French country side steps of Con babe,
I can pay for acting lessons,
You become a movie star make more than me babe, Meiple,
I'm a treat ya like a lady
You will be my pretty baby,
We can spend all my money baby,
Cheek to cheek girl, meiple
I'm a treat ya like a lady
You will be my pretty baby,
We can spend all my money baby Meiple,
I'm a treat ya like a lady
You will be my pretty baby,
We can spend all my money baby,

You will be my pretty baby,
We can spend all my money baby I know you wanna

I know you wanna
I know you wanna
I know you wanna
I know you wanna
I know you wanna
I know you wanna
