

## Psicotropia

Oh won't you sit with me?  
It's time for us to see  
For I gave you your life  
How do you repay me  
My child I've always loved you  
I always will you know, my child  
I gave you your life  
How do you use your will  
C'mon let's go  
You are my creation  
A star in my eye  
Now is no time to cry  
Oh can't you hear my voice?
