

I Love the Way You Love Me

Mr. President

REFRAIN:

To hold you

To feel you

To keep us stay together

To kiss you

To need you

Is what I'd wish forever

I love the way you love me

I love your way can't you see? TELEPHONE CALL:

Hey baby it's me

What you doin' right now

Yeah I'd love to come to see

You but I don't know how

I'm really busy,

And I ain't got time

Yeah you know that

You're always on my mind

When I get time I'll

Be around to see you

Oh baby, you know

That I miss you too

What would you say

To a candle light dinner

Call me soon I'm your winner
