

Special Pets

Otep

When you scream it sounds like a lullaby
When you beg I get all gooey inside
Tonight I take your eyes, mind, and tongue
To spread the word, and watch your kingdom come

Another night with you

Another wound

You keep me

In stitches

You tear me

To pieces

I need new voices in my head

To speak my secret evils with

I need new lovers in my bed

To be my friends and special pets

I need your sins all over me

I need to taste your blasphemy

I need to know with certainty

The nectar was worth the squeeze

It's just the way that we're diseased

It's the blame that stains us

It's the sweetest disease

It's so contagious [x2]

Once upon a time

I ripped the wings from my spine

But when I hide inside your eyes

I still pretend that I can fly

Tell me every secret

So you can fall in love

And then fall to pieces

I need new voices in my head

A new disguise for me to hide

I need new lovers in my bed

To feed my secret appetites

I need your sins all over me

I need to taste this tragedy

I need to know with certainty

That the nectar was worth the squeeze

It's just the way that we're diseased

It's the blame that stains us
It's the sweetest disease
It's so contagious [x2]
It's just a game we play in the dark
When you scream it sounds like a lullaby
When you beg I get all gooey inside
Tonight I take your eyes and tongue
To spread the word, and watch you come
To keep me
In stitches
You tear me
To pieces
It's just the way that we're diseased
It's the blame that stains us
It's the sweetest disease
It's so contagious [x2]
