In Love With You

Regine Velasquez

Just a gentle whisper
Told me that you've gone
Leaving only memories
Where did we go wrong
I couldn't find the words
Then so let me say them now
I'm still in love with youTell me that you love me
Tell me that you care
Tell me that you need me
And I'll be there
I'll be there waitingI will always love you
I will always stay true
There's no one who love
You like I doCome to me now
I will never leave you
I will stay here with you
Through the good and bad
I will stand true
I'm in love with youNow we're here together
Yesterday has passed
Life is just beginning, close to you at last
And I promise to you
I will always be there
I give my all to youLiving life without you is more than I can bear
Hold me close forever
I'll be there
I'll be there for youHold me closer
Our love is forever
Holding us together
Nothing in this world can stop us now
Love has found a way, love has found a wayI'm in love, I'm in love
Yes, I'm in love, so in love
I'm in love with you
