

FEELSOLOW

No Ceremony

Feel so low
Feel so low Can you let me go?
Can you let me leave this place?
Im a godless captive of
Something no one knows exists Is it wrong to make you love me?
Is it wrong to make you stay?
It breaks my heart to see you watching
You wanted to believe Is it wrong to make you love me?
Is it wrong to make you stay?
It breaks my heart
Oh, wanted to believe You know my heart is gone
You know my faith is gone
Ill be waiting
Ill be waiting
Ill be waiting
Nothing comes Ooh ooh
Feel so low
Feel so low You know my heart is gone
You know my faith is gone
Ill be waiting
Ill be waiting
Ill be waiting
Nothing comes You know my heart is gone
You know my faith is gone
Ill be waiting
Ill be waiting
Ill be waiting
Nothing comes Is it wrong to make you love me?
Is it wrong? Ooh oh
Feel so low
Feel so low You know my heart is gone
You know my faith is gone
Ill be waiting
Ill be waiting
Ill be waiting
Nothing comes You know my heart is gone
You know my faith is gone
Ill be waiting
Ill be waiting

Ill be waiting
Nothing comesIs it wrong to make you love me?
Is it wrong to make you love me?
