

Gimme

Widespread Panic

Gimme a hand there, Michael.
I'll give you a hand then, too.
Gimme a hand there, Michael.
I'd give you my heart if I could. Throw myself at the ground.
Look away before I hit. Give me a lift here, Larry.
I'll give you a lift here, too.
Give me a lift here, Larry.
I'd give you my horse if I could. Throw myself at the ground.
Look away before I hit. Gimme a kiss there, Tuesday.
I'll give you a kiss there, too.
I'll give you a kiss there, Tuesday.
I'd give you my heart,
I'd give you my heart if I could! Throw myself at the ground.
Look away before I hit.
