In Sumerian Haze

Sirenia

In sumerian haze you search for another day
Guess another vail left you this way
Thoughts on a line where I leave it all behind
Nothing can mend the hurt insideSweetened horizons
dance away the pain tonight
Just like you and IProfoundly deranged you go through another day
I guess it was meant to be this way
Thoughts on a line won't recover your mind
You cut your veins, like I've cut mineSweetened horizons
dance away the pain tonight
Just like you and I
