Fall Out Boy

I'm gonna make you bend and break (It sent you to me without wait)

 Say a prayer, but let the good times roll

In case God doesn't show (Let the good times roll, let the good times roll)And I want these words to make
 things right

 But it's the wrongs that make the words come to life

 Who does he think he is?

If that's the worst you got, better put your fingers back to the key[Chorus]

 One night and one more time

 Thanks for the memories even though they weren't so great

 He tastes like you, only sweeter

 One night, yeah, and one more time

 Thanks for the memories, thanks for the memories

See, he tastes like you, only sweeter, oh Been looking forward to the future

 But my eyesight is going bad

 In these crystal balls

 It's always cloudy except for

 When you look into the past

 One night stand

 (One night stand)[Chorus](They say)

 I only think in the form of crunching numbers

 In hotel rooms, collecting page six lovers

 Get me out of my mind

 Get you out of those clothes

 I'm a liner away

 From getting you into the mood

 Whoa[Chorus](One night, one more time)

 One night and one more time

 Thanks for the memories even though they weren't so great

 He tastes like you, only sweeter

 One night, yeah, and one more time

 (One night, one more time)

 Thanks for the memories, thanks for the memories

 (For the memories, for the memories

 See, he tastes like you, only sweeter
