# Death Threat

## Insolence

Advisory - the following lyrics contain explicit language:

Yo
You Won The Lottery
The First Prize Death
And When We Came Though
Make Sure Quiet Is Kept
Hit The Deck Only You
Where The Fuck Is The Rest?
I Got A High Caliber Output
Put A Hole In Your Chest
You Sort A Get Stressed
Leave You In A State Of Arrest
Sound System That I'm Rippin'
Is My Way To Protest
'Cause The Last One Alive
To Keep My Eye On The Quest
Keep My P.M.A. Together
And From Jah
I Stay Blessed
Biddy Bye ByeBetter Grab The Microphone
And Take Over The Frequency
Better Grab The Microphone
And Take Over The Frequency
This Is A Live Death ThreatA La De De Da De De Da De Da
We The I.N.S. Terrorists
Anarchist Tribe High
We Gonna Eat You Alive
Because You're Caught In The Sipher
In Full Overdrive
Rock The Microphone
Yeah Like It Was A Religion
Crew Is Locked And Loaded
Calibrated With Percision

Send Out The Drunk Munk
With All The Ammunition
Followed By The Stoner Punk
To Kill The Competition
HuhBetter Grab The Microphone
And Take Over The Frequency
Better Grab The Microphone
And Take Over The Frequency
This Is A Live Death ThreatGo!
This Is A Death Threat
Coming Through Your Headset
This Is War
So Bring It On
Bring It On
Bring It OnDeath Threat
Coming From A Stranger Danger
Say What You Want
Do What You Will
Death Threat
Coming From A Stranger Danger
Say What You Want
Do What You WillYo
'Cause If It's All For love
For Real For Real
No Caps Get Peeled
You Recognize That
You Trapped In A Raw Deal
It's All For Real
My Crew Broke The Seal
I Feel How I Feel
'Cause When Nice I Like To Get Ill
No Guts Spill At Last No One Stands Still
Pack A MicNot A Nickleplate
And No Steal
It's Got To Be
Ought To Be
Sort Of Naughty
Wanna Be
Probably What They Thought Of Me
And Shot At Me
Not Naughtily
What?Better Grab The Microphone
And Take Over The Frequency
Better Grab The Microphone
And Take Over The Frequency

This Is A Live Death ThreatGo!
This Is A Death Threat
Coming Through Your Headset
This Is War
So Bring It On
Bring It On
Bring It OnDeath Threat
Coming From A Stranger Danger
Say What You Want
Do What You Will
Death Threat
Coming From A Stranger Danger
Say What You Want
Do What You Will
