Soldiers

Switchblade Symphony

See all the faces
Out walking in the street
You will find a way to loveSee how they run
See how they fly
ooh wah wah wah
ooh wah wah wah
ooh wah wah wah
ooh wah wah wah
ooh oohWho are you?
Who are you?One, two, three, four
Five, six, seven, eight
Many more to obligateSee past the surface
To all the broken hearts
Beating much too slowSee how they run
See how they fly
ooh wah wah wah
ooh wah wah wah
ooh wah wah wah
ooh wah wah wah
ooh oohWho are you?
Who are you?One, two, three, four
