How Deep Is The Ocean

Chet Baker

How can I tell you what is in my heart?
How can I measure each and every part?
How can I tell you how much I love you?
How can I measure just how much I do?

How much do I love you?
I'll tell you no lie
How deep is the ocean?
How high is the sky?

How many times a day do I think of you?
How many roses are sprinkled with dew?

How far would I travel
To be where you are?
How far is the journey
From here to a star?

And if I ever lost you
How much would I cry?
How deep is the ocean?
How high is the sky?
