

Nothing Into Somethings

Drake

You ever hear some slow tracks, you know what I'm sayin'?
With, like, some pimpin' to it, or somethin'
That you can relax, pop a top to, or somethin'? Big cup of Ac', I'm drowsy
I'm still posted up where you first found me
Did I just read that you just got engaged on me?
I heard from your friend, you couldn't even tell me
Or better yet wait on me Nah, should have known nah-nah-nah
Should have known nah-nah-nah
Can't just leave it off that way
Should have known nah-nah-nah
Should have known nah
Can't just leave it off that way, nah Least, do I get an invitation or something?
A statement or something?
Ask about that, you would say it was nothing
But here's another nothing that you made into something
Can't just leave it off that way
