

One Lonely Visitor

Chevelle

Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?

Knew you were here,
Sister confirmed suspicions,
And beside the note,
That you left on my bed,
Where I held you close,
Did you think I'd forget?
Couldn't be more of a mess,
For to be,
There used to be another way,
I'd take you home.

Well its time to wake up,
And separate feelings,
That I keep falling into,
Each seem like good reasons,
That I feel I'm a break down,
I don't care if it shows up,
I'm praying this for you,
Until it turns it all safe.

Now it seems there's a choice,
Let me get with a break,
Listen today,
Know that never again,
Will I know you that way.

Well its time to wake up,
And separate feelings,
That I keep falling into,
Each seem like good reasons,
That I feel I'm gonna break down,
I don't care if it shows up,
I'm praying this for you,
Until it turns it all safe.

Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?
Am I alone in here?
