# Italian Guy

## Cake

That Italian guy over there,
the one with the polyester, pin-striped suit,
the one with the gray hair and mustache,
Must be thinking really loud thoughts.
Because he's nodding and squinting,
and nodding and squinting,
and putting down his metal case,

like he's making a point,
and it's very important indeed.
Yeah, he's making a point and it's
very important indeed.
Yeah, he's making a point and it's very important indeed.
Yeah, he's making a point and it's very important indeed.
