Please Kill Me

Amen

This house of shit
And I live in it
In this house of shit
And I breathe in itSaid don't you want to feed the blind?
This festival of demise
Kissed you lead the blind
Lay back and open wideThere is no time to talk about it
No time to sit and smile
We talk but we say nothing
There's no time to reconcileIt's been too long
In this alone time
Said it's been too long
In this lonely timePlease kill me, don't wanna be alive
Just kill me, don't stay alive
Just kill this life of guns and kill your sons
Please kill me, don't wanna be alive
Just kill me, don't stay alive
Just kill this life of guns and kill yourselfIn this house of shit
And I live in it
In this house of shit
And I breed in itThere is no time to talk about it
No time for your corporate smiles
Fill up on your fast food diets
Fill up on your denialIt's been too long
In this alone time
Said it's been too long
In this whore less timePlease kill me, don't wanna be alive
Just kill me, don't stay alive
Just kill this life of guns and kill your sons
Please kill me, don't wanna be alive
Just kill me, don't stay alive
Just kill this life of guns and kill yourselfIn this house of shit
This house of shit
Built on regret
In this house ofPlease kill me, don't wanna be alive
Just kill me, don't stay alive
Just kill this life of guns and kill your sons
Please kill me, don't wanna be alive
Just kill me, don't stay alive

Just kill this life of guns and kill yourself
Please kill me, why don't you kill me?
Why don't you kill me?Why don't you live a while in this house of shit
This house of shit
This house of shit
This house of shit, live it
