

No More I Love You's

The Harvard-Radcliffe Veritones

I used to be lunatic from the gracious days
I used to be woebegone and so restless nights
My aching heart would bleed for you to see
Oh, but now
(I don't find myself bouncing home whistling buttonhole just tuning me on)No more, I love you's
The language is leaving me
No more, I love you's
Changes are shifting outside the word
(The lover speaks about the monsters)I used to have demons in my room at night
Desire, despair, desire, so many monsters
Oh but now
(I don't find myself bouncing home whistling buttonhole just tuning me on)No more, I love you's
The language is leaving me
No more, I love you's
The language is leaving me in silence
No more, I love you's
Changes are shifting outside the wordThey were being really crazy
They were on the come, and you know what mummy?
Everybody was being really crazy
Uh huh, the monsters are crazy, there are monsters outsideNo more, I love you's
The language is leaving me
No more, I love you's
The language is leaving me in silence
No more, I love you's
Changes are shifting outside the word, outside the wordNo more, I love you's
The language is leaving me
No more, I love you's
The language is leaving me
No more, I love you's
Changes are shifting outside the word, outside the word
